

KATHARINE M. CAMMACK

Department of Psychology & Neuroscience Program
The University of the South
kmcammack@sewanee.edu

EDUCATION & TRAINING

Postdoctoral Fellow, Friedman Brain Institute, Icahn School of Medicine at Mount Sinai, 2012-2015
Dorothea Dix Postdoctoral Fellow, Biology of Addictive Diseases, The Rockefeller University, 2009-2012
Ph.D., Integrative Neuroscience, Rutgers University & University of Medicine & Dentistry of New Jersey, 2009
B.S., Psychology, Santa Clara University, 2004

APPOINTMENTS

Assistant Professor of Psychology, The University of the South, 2016-present
Visiting Assistant Professor of Psychology, The University of the South, 2015-2016
Faculty, Citizen Science Program, Bard College, 2011, 2012, 2013, 2015
Visiting Assistant Professor (part-time), Psychology Program, Bard College, 2012
Adjunct Assistant Professor, Department of Psychology, Hunter College (CUNY), 2011
Doctoral Candidate, Laboratory of Behavioral Neuroendocrinology, Rutgers University, 2004-2009
Research Assistant, Laboratory of Learning & Memory, Santa Clara University, 2002-2004
Research Assistant, Laboratory of Educational Psychology, Stanford University, 2003

SELECT COURSES TAUGHT

The University of the South

NEUR101 Introduction to Neuroscience	PSYC251 Research Methods & Data Analysis & Lab
NEUR254 Behavioral Neuroscience	PSYC349 Drugs & Behavior
NEUR359 Advanced Behavioral Neuroscience (with Lab)	PSYC350 Drugs & Behavior (with Laboratory)
NEUR444 Independent Study	PSYC419 Addiction
PSYC444 Independent Study	PSYC421 Sex, Brain & Behavior

Other institutions

Citizen Science (<i>Bard College</i>)	Sex & Behavior (<i>Hunter College, CUNY</i>)
Sex, Brain & Behavior (<i>Bard College</i>)	Critical Thinking (TA), (<i>Rutgers University</i>)

GRANTS & FUNDING

Cammack KM, Smith C, McGhee K, Schraeder M (2021) "Science Fridays": Building science identity & self-efficacy through co-curricular sessions. DEI Pedagogy Grant, The University of the South. \$3,500
Cammack KM (2021) Brain circuits supporting drug preference in rodents. University Research Grant, The University of the South, \$5000
Cammack KM (2021) Brain circuits supporting drug preference in rodents. Faculty Research Stipend, The University of the South, \$8000
Cammack KM (2020) Persistence and inclusion in STEM: Putting yourself in the shoes of neuroscientists. DEI Pedagogy Grant, The University of the South. \$1,500
Cammack KM (2020) Women in Science WIST Fund COVID Relief. \$500
Cammack KM (2018-2020) Kennedy Endowed Faculty Fellowship. The University of the South, \$13,000
Cammack KM (2018) Using service learning to enrich a laboratory course on substance use in Grundy County. Center for Teaching Innovative Teaching Grant, The University of the South, \$510
Cammack KM (2017) Opioid use in Southern Appalachia: How drug education framing can be informed by local perceptions, attitudes and worldviews. Mellon Collaborative for Southern Appalachian Studies, \$7,940

Cammack KM (2017) Opioid use in Southern Appalachia: Addendum. Mellon Collaborative for Southern Appalachian Studies, \$2,400

Cammack KM, Moore BC (2016) An inquiry-driven, cross-disciplinary laboratory experience for Sewanee students. Center for Teaching Innovative Teaching Grant, The University of the South, \$2969.08

Cammack KM (2016) Teaching apparatus for neuroscience program. Center for Teaching Mini-Grant, The University of the South, \$500

Seip KM (2011-2014) Heroin withdrawal: modulation of aversive states by kappa opioid receptors. F32-DA030831 Ruth L. Kirschstein NRSA for Individual Postdoctoral Fellows, NIDA. \$150,234

Student Undergraduate Research Fellowships (Sewanee)

** undergraduate student*

Duenas-Pincay D*, **Cammack KM** (2021) Blocking the rewarding effects of cocaine in mice. Summer Undergraduate Research Assistantship, \$3000

Kearley S*, **Cammack KM** (2021) Study of sex differences in oxycodone-induced protein expression in reward- and learning-related brain circuits. Summer Undergraduate Research Assistantship, \$3000

Fain E*, **Cammack KM** (2021) Substance use amongst adolescents in rural Appalachia. Summer Undergraduate Research Assistantship (remote), \$1000

Pusok A*, **Cammack KM** (2020) The impact of opioids on the brain and behavior of mice. Summer Undergraduate Research Fellowship (remote), \$2000

Fain E*, **Cammack KM** (2020) Substance use amongst adolescents in rural Appalachia. Summer Undergraduate Research Assistantship (remote), \$1000

Bansal S*, **Cammack KM** (2020) Study of sex differences in oxycodone-induced protein expression in reward- and learning-related brain circuits. Summer Undergraduate Research Fellowship (remote) \$2000

Krueger A*, **Cammack KM** (2018) Alcohol & substance use amongst adolescents in a Southern Appalachian community. Summer Undergraduate Research Assistantship, \$3000

Sands LP*, **Cammack KM** (2017) The impact of sex and estrus stage motivational and physiological responses to opiates across the addiction-like cycle in the rodent. Summer Undergraduate Research Assistantship, \$2800

Watters A*, **Cammack KM** (2017) Behavioral and neurobiological effects of prescription opioids across the reproductive cycle of female rats. Summer Undergraduate Research Assistantship, \$2800

FELLOWSHIPS, AWARDS & HONORS

Kennedy Endowed Faculty Fellowship, 2018-2020

Nominee, Dean of the College's Teaching Award, The University of the South, 2016, 2018, 2020, 2021

Nominee, Dean of the College's Advising Award, The University of the South, 2021

Community Partner of the Year Award, Grundy County Safe Communities Coalition, 2019

APA Division 6 D.B. Marquis Behavioral Neuroscience Award, 2017

Postdoctoral Fellow Travel Award, Icahn School of Medicine at Mount Sinai, 2014

Invited Presenter, Early Career Investigator Session, National Institute on Drug Abuse Miniconvention, Society for Neuroscience Annual Conference, 2011

Co-Chair, Oral Communications Session, College on Problems of Drug Dependence Annual Conference, 2010

Early Career Investigator Travel Award, College on Problems of Drug Dependence, 2010

Award for Graduate Excellence, Graduate Student Government Association, Rutgers University, 2008

Graduate Merit Award, Executive Women of New Jersey, 2008

Chapters Graduate Student Travel Award, Society for Neuroscience, 2008

NIDA Women & Gender Junior Investigator Travel Award, College on Problems of Drug Dependence, 2007

Competitive Applicant Award, Integrative Neuroscience Program, Rutgers University, 2004

Wilhelm Wundt Award for Excellence in Research, Academics & Service in Psychology (*top graduating senior from department*), Santa Clara University, 2004

Phi Beta Kappa, Santa Clara University, 2004

Dean's Scholarship, Santa Clara University, 2000-2004

SERVICE

National/international:

ad hoc Reviewer, *Psychopharmacology; Neuroscience; Behavioral Neuroscience; Neuroscience Letters; Brain Sciences; British Journal of Pharmacology; Frontiers in Child & Neurodevelopmental Psychiatry; Hippocampus; Behavioural Brain Research; Journal of Undergraduate Neuroscience Education*
 Faculty Advisor, IMPULSE Undergraduate Neuroscience Research Journal, 2016-present
 Neuroscientist/Teacher Partners, Society for Neuroscience, 2006-present
 Judge, NEURON Competition, International Youth Neuroscience Association (IYNA), 2021
 Session Moderator, Motivation & Emotion, Neuroscience Undergraduate Research Virtual Symposium (NURVS), Faculty in Undergraduate Research, 2020
 Reviewer, Posters on the Hill, Council on Undergraduate Research, 2019, 2020
 Co-Chair, Oral Communications Session III - Preclinical Opioid Research, College on Problems of Drug Dependence Annual Conference (Scottsdale AZ), 2010
 Panelist, Professional Skills Workshop, Society for Neuroscience Annual Conference (Chicago IL), 2009

State/local:

Coalition Member, Grundy Safe Communities Coalition, 2020-present
 Speaker, Grundy County Principals' Meeting & Teacher In-service Day (3 sessions), 2019
 Invited Speaker, Franklin County Jail Re-Entry Program (3 sessions), 2017
 Volunteer, Brain Awareness Week, Icahn School of Medicine at Mount Sinai, 2013-2015
 Speaker, Pre-Freshmen Summer Program, Research Initiative for Scientific Enhancement, Brooklyn College, 2014
 Chair, Professional Development Committee, New York Women in STEM, 2013
 Judge, New York City Science & Engineering Fair, CUNY/NYC Board of Education, 2010-2011
 Co-Chair and Moderator, Science Communication Consortium, New York NY, 2007-2009

University:

The University of the South

Member (5-year term), Center for Teaching Advisory Board, 2020-present
 Member, Library/Information Technology Service Committee (LITSC), 2019-present
 Member, Institutional Animal Care & Use Committee (IACUC), 2016-present
 Faculty Advisor, Psi Chi Psychological Honors Society, 2016-present
 Peer Review Training Site Coordinator, IMPULSE Undergraduate Neuroscience Research Journal, 2016-present
 Member, Neuroscience Steering Committee, 2015-present
 Member, Advisory Committee on Alcohol & Narcotics (ACAN), 2020-2021
 Member, Undergraduate Research Advisory Council, 2018-2020
 Member, Smith Experiential Learning Fund Review Board, 2020, 2021
 Member (1-year term), Center for Teaching Advisory Board, 2019-2020
 Faculty Advisor, Psychology Club, Spring 2020
 Search Committee, Visiting Assistant Professor of Psychology (Cognitive Neuroscience), Spring 2020

Member, Health Professions Advisory Committee, 2019
Search Committee, Visiting Assistant Professor of Psychology, Spring 2018, Spring 2019, Spring 2020
Search Committee, Assistant Professor of Biology (Neurobiology), Fall 2016 & Fall 2017
Judge, Scholarship Sewanee Undergraduate Research Conference, 2017, 2018
Institutional Delegate, Sigma Xi Scientific Research Honor Society, 2016-2017

Icahn School of Medicine at Mount Sinai

Vice President, Women in Science, 2012-2015
Executive Board, Women in Science & Medicine, 2012-2015
Member, Postdoc Executive Committee, 2013-2015
Planning Committee, SINAInnovations Trainee Entrepreneurship Forum & Reception, 2013-2014
Chair, Professional Development Subcommittee, Women in Science, 2013

Rutgers University

President, Graduate Student Government Association, 2007-2008
Program Representative, Integrative Neuroscience Graduate Program, 2007-2008
Campus Liaison to the New York Academy of Science, 2006-2008
Secretary, Graduate Student Government Association, 2006-2007
Mentor, SEED High School Summer Scholarship Program, American Chemical Society, 2005

PEDAGOGICAL TRAINING

Fellowships:

NeuroCaseNet Fellow, The Neuroscience Case Studies Network (RCN-UBE), 2018-2020
Civic Engagement Faculty Fellow, The University of the South, 2017-2018

Select courses & workshops:

Neuroscience Case Studies Workshop, Emory University, 2019, 2021
Summer Teaching Workshop, Associated Colleges of the South, 2019
Practical Strategies for Enhancing Inclusivity in Undergraduate Courses (Barbara Lom, Ph.D.), Sewanee, 2018
Community Engagement & Service-Learning Pedagogy (Marshall Welch, Ph.D.), Sewanee, 2017
Scientists Teaching Science, New York Academy of Sciences, 2014
Introduction to Teaching Science Online, New York Academy of Sciences, 2014
Effective College Teaching, Rutgers University, 2008

STUDENTS & TRAINEES

The University of the South

Behavioral Neuroscience Laboratory

- Summer 2021: Daniela Duenas-Pincay, Sam Kearley, Emma Fain, Gabby Acker, Anna Pusok, Annalee Atkinson, Kairi Gardner
- Spring 2021: Anna Pusok, Carter Cooper, Emma Fain, Jordan Besh, Alice Charbonteau, Annalee Atkinson, Gabby Acker, Raleigh Bruce, Colin Seegars, Kallysta Erickson
- Summer 2020 (remote): Anna Pusok, Sambhav Bansal, Emma Fain, Carter Cooper
- 2019-2020: Andrew Minor, Anna Pusok, Victoria Collins, Sambhav Bansal, Alice Charbonteau, Sophia Harnew, Mac Gortney
- 2018-2019: Amanda Watters, Kate Probasco, Andrew Minor
- 2017-2018: Amanda Watters, Victoria Collins, Marq Schieber
- 2016-2017: Paul Sands, Amanda Watters

NEUR444 Independent Study

1. Kallysta Erickson (S21) – *Prosocial behavior and the brain*
2. Carter Cooper (F20, S21) – *The role of exercise in opioid recovery & relapse*

3. Colin Seegars (F20, S21) – *Music therapy & neuroscience*
4. Anna Pusok (S20) - *Exploring sex differences in oxycodone place preference in the mouse.*
5. Hayden Wiseman (S20) – *Cognitive neuroscience: Bilingualism*
6. Hayden Wiseman (F19) – *Factors contributing to individual differences in opioid dependence*
7. Andrew Minor (S19/F19) – *Behavioral and neurobiological effects of prescription opioids across the reproductive cycle of female rats.*

PSYC444 Independent Study

8. Emma Fain (F20, S21) – *Perceptions and attitudes about substance use in Grundy County schools.*
9. Rebecca Worsham (F19) – *Perceptions about vaping and e-cigarette use in Grundy County schools.*
10. Emma Maclean (S19/F19) – *The intergenerational impacts of the opioid crisis in Grundy County.*
11. Kate Probasco (F17/S18/S19) – *The interaction between sex steroid hormones and mesolimbic dopamine in opioid reinforcement.*
12. Meredith Heitland, Rachel Vincent, Ashlyn Blevins, Dalton Fitzgerald (S18) – *Sex differences and the influence of gonadal hormones in opioid use, dependence and addiction.*
13. Amanda Watters (F17/S18) - *Behavioral and neurobiological effects of prescription opioids across the reproductive cycle of female rats.*
14. Ashley Krueger (F17/S18) - *Alcohol & substance use amongst adolescents in Southern Appalachia*
15. Daniel Gabriel (S17/F17) – *Feasibility and efficacy of a semester-long mental health literacy program in two Nigerian high schools: A pilot study*
16. Elizabeth Eidson (S17/F17) – *Investigating the opioid epidemic: How patient perceptions, diagnoses and access to treatment shape prescription opioid use in rural Appalachia*
17. Paul Sands (F16/S17) – *Behavioral econometrics of addiction: Dopamine dynamics in nucleus accumbens*
18. Hayden Reece (F16/S17) – *Clinical and neurobiological effects of traumatic brain injury*
19. Dalton Fitzgerald (F16) – *Chronic traumatic encephalopathy: clinical markers and neuropathology*

Teaching assistants

1. Victoria Collins – PSYC251 (S18, F19) and PSYC350 (S20)
2. Anne-Stuart Bell – PSYC359 (S17) and PSYC251 (F16)
3. Ariyan Cox – PSYC251 (F16)
4. Allison Smith – PSYC251 (F15)

Icahn School of Medicine at Mount Sinai

Undergraduate

1. Gianna Absi, Boston University, 2014
2. Kendra Rumbika, Boston University, 2014
3. Elisa Caffrey, Bard College, 2013
4. Celia Gagliardi, Boston University, 2013
5. Jamie Nagy, Boston University, 2013

Graduate

1. Philip Avigan, 2014-2015
2. Vincent Luo, 2014
3. Prashanth Rajarajan, 2013
